BSc (Hons) Computing & Internet Technologies Top-up

Subject:	Computing
Type:	Bachelors Degree
Course Code:	AAC647T/HM1
Attendance:	Full Time
Location:	Taunton
Awarding body:	The Open University

Description

The BSc (Hons) top-up provides students with the skills and knowledge to enter a range of computing professions, which have seen increased demand for employees at graduate level, and will equip learners with the necessary skills and academic standing to enter postgraduate study.

It also enhances employability of students by providing training with industry-standard software and access to specialised resources such as the Networking Laboratory.

The modules studied may include

- Advanced Programming
- Mobile Application Development
- Relational Databases
- Final Major Computing Project
- Mobile Network and Security Management optional module
- Collaborative Working and Entrepreneurial Skills optional module

Teaching and Assessment

Our specialist teaching staff have hands-on experience of working in computing, and offer expert tuition in cutting-edge labs and classrooms.

Assessment is through a mix of assignments and presentations. As part of the course,

COURSE INFORMATION CONTINUED...

you will be required to undertake projects both in groups and individually.

A prominent feature of the course is the use of in-course assessment, where modules are assessed by the course teaching team while you complete them. The focus of the degree is the final year major project and dissertation, showcasing your high level computer skills.

Career Progression

As a computing graduate, the world really is your oyster. You will be equipped with a range of computer skills that are all highly desirable to prospective employers. Moreover, you'll have experience of working in real-world environments where adaptability and the ability to handle pressure are essential.

Entry Requirements

Applicants must have a Foundation Degree, HND or equivalent Level 5 qualification in an appropriate discipline. Students also require GCSE at grade A*-C (new grading system 9-4) in English and Maths or equivalent Level 2 Literacy and Numeracy.

Applicants with English as their second language must have minimum IELTS Level 6 or equivalent.

Awarding Body: The Open University.
