## Level 6 Chartered Manager Degree Apprenticeship

<b>Subject:</b>	Business
<b>Type:</b>	Apprenticeship
<b>Course Code:</b>	APC801T/AM1
<b>Attendance:</b>	Part Time
<b>Location:</b>	Taunton
<b>Awarding body:</b>	CMI

### Description

The Chartered Manager Degree Apprenticeship is for professional managers who take lead responsibility for people, projects, operations and/or services to deliver long term organisational success. It is applicable to professional managers from all sectors – the private, public or third sector – and all sizes of organisation. It will typically take 4 years to complete, although the exact duration will be dependent on the previous experience of the individual.

This apprenticeship has been designed to provide access to development opportunities for as wide a range of individuals as possible.

The modules will cover the breadth and depth of the standard using suggested on-programme assessment methods that integrate the knowledge, skills and behaviour components. This ensures that the apprentice is sufficiently prepared to undertake the synoptic project, which will be assessed by University Centre Somerset, the employer and an independent assessor. There is also the option to apply for professional recognition on achievement of the apprenticeship once the apprentice has passed their endpoint assessment.

### Teaching and Assessment

Assessment will be agreed between the employer and University Centre Somerset and will be likely to include a mix of assignments, reports, practical exercises, projects, and feedback on behaviours via 360-degree feedback or equivalent mechanisms. In addition the apprentice will create a portfolio of evidence, which will demonstrate how learning has been applied, their achievements and capabilities.

### Progression Opportunities

Completion of the Apprenticeship can lead to Chartered Manager status with the CMI.

### Entry Requirements

Individual employers will set the selection criteria for their Apprenticeships with University Centre Somerset. Most candidates will have A Levels (or equivalent) or
