## Animal Management Level 4 Professional Certificate

<b>Subject:</b>	Animal Management
<b>Type:</b>	Level 4 Certificate
<b>Course Code:</b>	LAA141C/HM1
<b>Attendance:</b>	Part Time
<b>Location:</b>	Cannington
<b>Awarding body:</b>	The Open University

### Description

The Professional Certificate consists of 60 credits that can be selected from a specific combination of three 20 credit modules within the BSc (Hons) Animal Management and Wildlife Conservation programme offered at University Centre Somerset.

This Level 4 award has been developed as a broad-based short programme to attract learners who would like to study general animal management theory and practical competencies that would be primarily for their own interest and education. The programme would also enable learners who have busy lifestyles or who are engaged in industry to undertake higher learning in a manageable format. In addition, the programme can prepare learners for further higher study and/or employment.

There are two 15 week semesters over the academic year. You would select THREE modules from the potential options. Each module is studied in a specific semester with a half day attendance. External research work and assessments are set to be completed outside of college.

Modules that could be offered are:

- Management and Conservation of Mammals
- Applied Animal Welfare and Ethics
- Animal Health Diagnostics
- Field and Behavioural Monitoring Techniques
- Management and Conservation of Captive and Wild Exotics
- Enclosure and Enrichment Design
- Evolution and Behavioural Ecology

### Teaching and Assessment

The modules are either assessed via 100% coursework or a combination of coursework and formal examination.
